

# Jigsaw Book

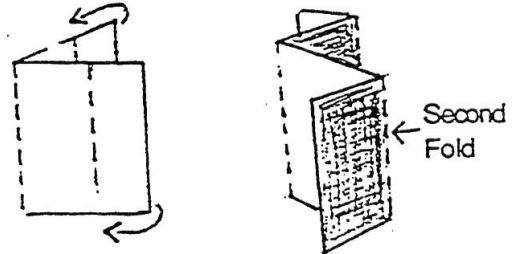

## Materials:

- 12 x 18 construction paper (any color)
- 9 x 12 construction paper (white)
- scissors
- ruler

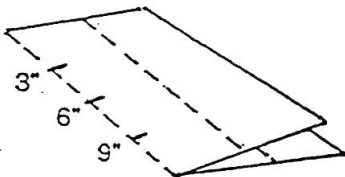

1. Fold 12 x 18 paper in half.

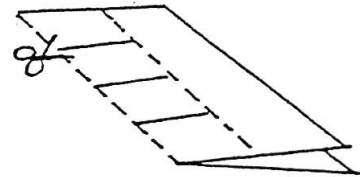

2. Fold each side in half again to make flaps.

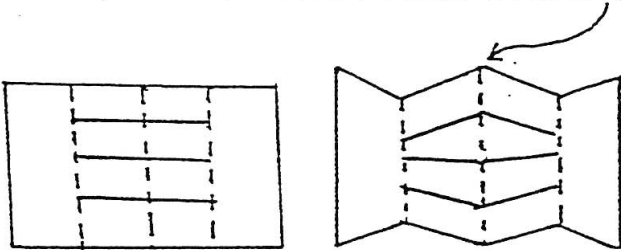

3. Lay it flat (folded in half.) Measure edge of first fold into fourths. Mark at 3, 6 and 9 inches.

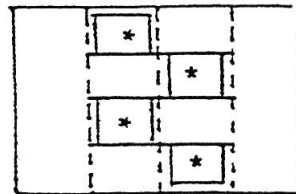

4. Cut through first fold to second fold at 3, 6 and 9 inches to make 3 slits.

5. Lay it out flat. Be sure the center fold faces up.

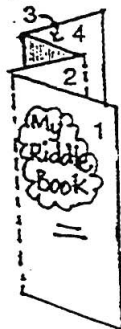

6. Cut the white paper lengthwise into 2 strips. Weave the strips through the slits in the 12 x 18 paper.

7. Fold the 12 x 18 paper in half again and fold the flaps back.

8. Gently pull the center folds apart. It will magically open up as a 4 page book. Now you can use the white parts of the book for writing and illustrating.
